

## Installation Guide:

### 1. Step 1:

- Download Extension and place inside your Project root/app/code/

### 2. Step 2:

- In magento root directory run the following commands using the command line:

```
php bin/magento setup:upgrade
```

```
php bin/magento setup:static-content:deploy
```

### 3. Step 3:

- Login to Magento admin and enable extension at  
Stores=>Configuration=>MageCaptain=> Product Countdown  
Configuration

### 4. Step 4:

- That's it, you're done.

## Description:

To expand the availability of clients and interest for items, MageCaptain developed the Countdown Extension. This module allows admin to add countdown timer displayed on the website for Sales Price Product. Magento 2 Countdown Timer causes web-based business stores to drive deals adequately by adding additional countdown clocks or timer to special price products.

## How to Use:

### Admin panel

- ⇒ Set Configuration from this way:  
Stores=>Configuration=>MageCaptain=> Product Countdown  
Configuration

- Enable or Disable Extension
- Set Title which is show on Frontend above Count Down Timer

General ⌵

Enable [global]  ▼  
 Enable extension on frontend

Title On Countdown [global]   
 Text show on frontend above Count Down Timer

⇒ Enable or Disable timer for Product:

Show Countdown [global]  Yes
