1) Store view Block

- Select Store View
- Active / Inactive Popup
- Set Start Date
- Set End Date

The screenshot displays the configuration interface for a MageCaptain Popup. On the left, a sidebar shows the 'MAGECAPTAIN POPUP' structure with three sections: 'Store View Block' (highlighted with a red vertical bar), 'Popup Information Block', and 'MAGECAPTAIN POPUP'. The main configuration area on the right is titled 'Store View Block *' and contains the following elements:

- A list of store views: 'All Store Views', 'Main Website', 'Main Website Store' (with 'Default Store View' as a sub-option), and 'UK' (with 'UK Store View' as a sub-option).
- A 'Status *' dropdown menu currently set to 'Inactive'.
- A 'Start At' field with a calendar icon.
- An 'End At' field with a calendar icon.

2) Popup Information Block

- Set Popup Title
- Set Popup Subtext
- Set Button Text
- Set Button Link
- Select Image
- Set Popup Text Color
- Set Button Background Color
- Set Background Color
